Reference: Amended July Monthly Report (6/01/03-6/30/03), received 9/17/03

Dear Ms. Brown:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report discloses receipts totaling \$1,600.00 from *OHIO VICTORY COMMITTEE*, which is a joint fundraising committee(s) affiliated with your committee. Please be advised that a memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser(s). The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the calendar year, and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. Please amend your report by providing the omitted memo schedule(s). 11 CFR §102.17(c)(8)(i)(B)

-Your report discloses a transfer(s) for "RE-ALLOCATION OF 11-15-02 COLUMBIANA CN", "RE-ALLOCATION OF 10-28-02 LAWRENCE CNTY", "RE-ALLOCATION OF 11-25-02 OH APARTMENT", and "TRANSFER TO NON FEDERAL ACCOUNT" to the *ORP-NON FEDERAL ACCOUNT* which appears to be a non-federal account of your committee. 11 CFR §§106.6

and 106.7 prohibits a committee's federal account from reimbursing its non-federal account for shared allocable expenses. Also, the non-federal account is prohibited from paying the federal account's share of these expenses. These types of costs must be paid according to the allocation ratio derived from the appropriate method on Schedule H1.

If the transfer(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

Although the Commission may take further legal action regarding this improper allocation activity, your prompt action will be taken into consideration.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$26,026.77 for "CONTRIBUTOR/DONOR FUNDRAISING CALLS". Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24.

Please provide further clarification regarding this activity, specifically whether it referenced and promoted, attacked or opposed a clearly identified candidate for Federal office. If this is the case, please amend your report to properly disclose this activity as an in-kind contribution, an independent expenditure or a coordinated expenditure, as appropriate, on a Schedule B, E or F supporting Lines 23, 24 or 25, respectively.

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a

Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Your report discloses additional receipts totaling \$15,072.00 on Line 11(a)(ii) of the Detailed Summary Page that were not disclosed on your original report. Please provide clarifying information as to why this activity was not disclosed on your original report.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1140.
